Creative Leadership in Technology and Design

A close-up, slightly blurred photograph of a laptop screen. The screen shows a line graph with two data series: 'New Visitor' (blue line) and 'Returning Visitor' (green line). The 'New Visitor' line shows a significant peak, while the 'Returning Visitor' line is more stable. Below the graph is a pie chart with a blue and green segment. The laptop's keyboard is visible at the bottom. Overlaid on the screen is white text.

Why has digital design become so important?

Digital design encompasses the use of not just images and animations, but also video and interactive content.
